

15th Annual ACEware Users' Conference Las Vegas

May 4 - 6, 2011

Plan to join us for three days of fun and learning at the 15th Annual ACEware Users' Conference at the Flamingo, located on the Las Vegas Strip. The conference will have sessions led by ACEware customers and presentations by ACEware Staff. This will be an excellent opportunity to learn how to use Student Manager and components to maximize your registration solutions and practices.

Attend and learn how to better serve your students, clients, and selves with the latest software developments from ACEware Systems, Inc. We will feature general sessions and breakout sessions. Registration for the conference will be held at the hotel from 4:00-5:00 pm on Tuesday, May 3, 2011. Today, you'll discover classic Vegas style beautifully combined with a contemporary sophistication that's as welcoming as it is hip. This self-contained casino and resort offers everything you could want; including a Wildlife Habitat and a

15-acre Caribbean-style water playground. Set on the famous four corners of Las Vegas Blvd and Flamingo Rd, this hotel combines heart-pounding Las Vegas excitement with hospitality and service that's second to none. Taxi from airport approx \$25.

Conference Rates have been arranged for conference participants.
