

Call for Presenters

15th Annual ACEware Systems Users' Conference

May 4-6, 2011
Las Vegas

You are invited to present a workshop/session at the 2011 ACEware Systems, Inc. Users' Conference. Being able to listen to and learn from the experiences of fellow users is often the most valuable aspect of a seminar. At our past Users' Conferences, the presentations by ACEware users were among the most popular sessions. We invite you to continue the tradition and submit a proposal for a session that you would present. There will be limited sessions for customer presenters, so we will be selecting based on value of topic and presenter knowledge of the topic.

Why should you submit a proposal?

If your proposal is approved, you will receive a half-price conference registration worth \$350.00! Again this year we plan to have concurrent sessions and we will be looking for presenters on Student Manager and its modules.

On what topic should I submit a proposal?

We welcome proposals on any and all aspects of using Student Manager. Pick a topic you think is important! Some examples of past topic areas:

- Designing/Adapting/Creative use of Reports
- Adapting Student Manager for special needs
- E-mail marketing with Student Manager
- Any Student Manager Optional Module
- You tell us!

How do I submit a proposal?

Print and complete the attached form and fax to 785-537-6811. Complete the form by August 31, 2010. Proposals will be reviewed and final conference selections will be announced in September.

We do hope you consider joining us as a presenter at the 2011 conference.

If you choose not to present, we hope you make plans to attend.

Registration information is available on our website.

We guarantee that you will learn a lot, and have a great time!
